1965

God give us men
Strong

Mr. Mask teaches how to use the slide rule in advanced mathematics.

Mrs. Brenda Austin and her biology students explore the animal kingdom by beginning with dissection.

Mrs. Betty Lawing's girls practice coordination of mind and body in physical education class.

Mr. Day's earth science class explores the structure and composition of the earth.

... The time demands . . .
minds

of the lowly earth worm.

Mrs. Brenda Austin directs a physics experiment in measuring linear expansion.

Mr. Day and his chemistry class test chemical reactions.

Our cheerleaders prove to us that the real test of "great hearts" and "true faith" lies in the way we accept defeat.

Mrs. Cook and her assistant librarians will not have worked in vain if we come to realize that reading can

Great hearts

Mr. Flack and his American history class study about great minds, both past and present, from Washington at Valley Forge to John Glenn and the Space Age.

The juniors read from American literature. "That all grand thoughts come from the heart" is exemplified in their readings.

demands . . .

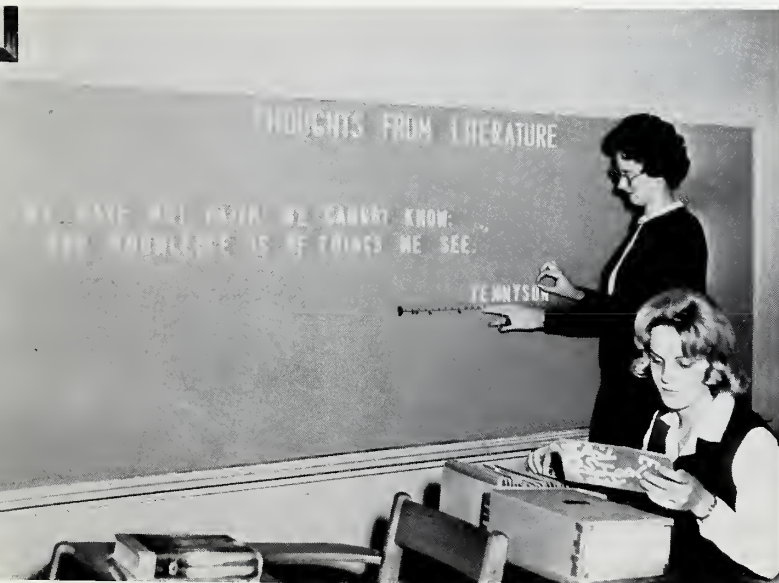

nfluence and transform our lives.

"A great heart" has "true faith" in his graduates. "Eddie, boy, I'm sure you will succeed!"

True faith

The seniors study great thoughts from English literature, with a realization that good reading can instill true faith radiating from great hearts of the past.

Mrs. Howell, senior advisor, and Mr. Haney, school counselor, help seniors to plan their careers, with faith in their futures.

Mrs. Fletcher Morris and her lunchroom personnel are the "willing hands" that daily prepare our nour-

Members of the Student Council strive to help us keep our lockers clean and orderly.

Willing

Mrs. Robinson's home economics girls believe that "Whatever thy hands find to do, do it." They willingly serve the school in preparing banquets and sewing or laundering uniforms, curtains, or table cloths.

That "cleanliness is next to Godliness" is a maxim well known to our custodians, Mr. and Mrs. Condrey.

demands . . .

ishing and savory lunches.

hands

The "willing hands" of Mrs. Cook and her student librarians keep our library books in good condition and readily available.

Mr. Goodson and his agriculture boys spend long hours repairing school furniture and cooperating in community projects.

The "willing hands" of the school typists, and mimeographers, under the direction of Mrs. Margaret Norris, are a vital part of our school activities - the school paper, the annual, tests, school reports, and handbooks.

P.T.A. Officers

The P. T. A. has sponsored three main projects this year - the school band, the summer recreation program, and the construction of asphalt play areas throughout the campus.

Mr. J. B. Davis, Vice President; Mr. T. A. Hilton, President; Mrs. Joe Kaylor, Treasurer; and Mrs. Pearl Austin, Secretary.

Alumni Officers

The Alumni Association meets biennially. Their most outstanding project is sponsoring a scholarship fund for worthy Glenwood graduates who wish to continue their education.

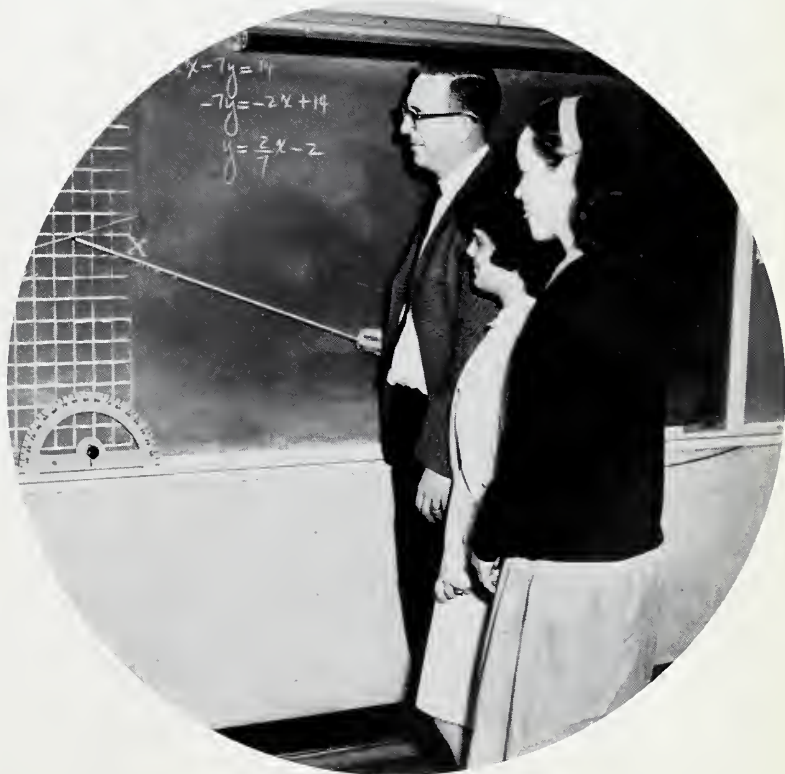

Ray Dean Arrowood, President; Joe Kaylor, Vice President; Carroll Hemphill, Treasurer; and Willette Lawing, Corresponding Secretary.

We Dedicate

In return for his sincere interest in the students and his willingness to help in their many activities, we proudly dedicate the 1965 Nushka to Mr. Harold Mask, better known as Mr. Mathematics. Anywhere, any day, or any night that students call upon him, Mr. Mask always responds with a hearty smile and a ready hand. For his untiring services and his warm friendship, we seniors say a heartfelt, "Thank you".

Mr. Harold L. Mask

School Committee

Members of the School Committee are Mr. Gene Smith, Mr. Bryan Geouge, Mrs. Eva Dale, Mr. Joe Kaylor, and Mr. Jack Wilkerson, not pictured.

Mr. Frank W. Howell

With willing hands a great heart, he helps solve our problems, big or small.

Throughout the years, his voice directing our school day activities has truly become the "voice" of Glenwood School.

The tiniest tot eagerly seeks his "first-aid".

MASCOTS

Deborah Poteat, daughter of Mr. and Mrs. Wayne Poteat.

Joey Nelson, son of Mr. and Mrs. Arthur Nelson.

CLASS POEM

Four years ago, we were Freshmen,
Wondering if we could survive
The Sophomore year, the Junior year
To become the Class of '65.

Now we've reached our goal at last
With our faith and hope still alive,
God grant that nothing stands in the way
Of this Class of '65.

May our class flower, the Pansy,
Forever keep great thoughts alive,
Bearing memories still unfaded
Of the Class of '65.

May our colors - blue and gold -
Always help our class to strive
For lasting truth and sterling worth
For the Class of '65.

May our motto meet time's demands -
Minds strong and hearts that survive;
Then with true faith and willing hands
Go forth the Class of '65.

The Class of 1965 is composed of thirty-seven girls and forty boys. This is the largest senior class in the history of Glenwood High. The influence of the class has been felt in many areas of leadership in clubs, publications, athletics, and bus transportation. Perhaps no other class will have left a more lasting impression than the Class of '65.

J u n i o r s

Serving the Junior class as officers this year, are Roger Arrowood, president; Carolyn Shell, vice president; Norman Arrowood, secretary; Ruby Suttle, reporter; Zane Jackson, reporter; and Allen Silvers, treasurer.

There are seventy-two members of the Junior Class, thirty-seven girls and thirty-five boys. This is the year that is marked by many highlights - ordering class rings, planning the Junior-Senior Christmas Party, planning the Junior-Senior Banquet, and finally participating in Commencement activities. Anticipation is high for their adventures as Seniors of 1966.

Serving the Sophomore class as officers this year, are Dianne Hicks, reporter; Dianne Cogdill, secretary; Joe Owens, president; Margaret Marlowe, reporter; Barbara Kaylor, vice president; Deny Randolph, reporter; and Richard Collins, treasurer (not pictured).

The Sophomore Class has an enrollment of one hundred one. The anxieties of their freshman year have vanished, and confidently they look forward to the remaining high school experiences. Already they have solved some of the mysteries of biology and the complications of mathematical formulas -- enhanced by quotations from Shakespeare's "Julius Caesar." By now they have become "seasoned Sophists."

Serving the Freshman class as officers this year, are Jane Queen, reporter; Susan Con-drey, president; Debbie Holland, treasurer; Larry Davis, vice president; Albert Kaylor, secretary; and Terry Helms, reporter.

Last fall seventy-one freshmen were "dubbed" for the "wearing of the green." Courageously they have borne their title to become an integrated part of the high school student body. Many have found places in clubs and other co-curricular activities, as well as in advanced classes, in typing, French, and algebra. Participating in driver education and helping to plan the Christmas Party marked the height of freshman achievements.

The Beta Club is an honor - service organization for high school students. Achievement, character, and leadership are its key objectives. Another aim is to continue their education beyond high school. Membership is limited to juniors and seniors who have achieved an average of ninety or above and who are nominated by the high school faculty. The club sponsors projects to encourage academic achievement, high moral standards, and leadership.

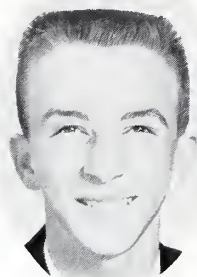

FIRST ROW: Karen Laney, Sherry Flack, Rachel Hensley, Mrs. Helen Cooley, sponsor. SECOND ROW: Gail Haynes, Audrey Blankenship, Sandra Freeman, Lena Smith. THIRD ROW: Tommy Perdieu, Barbara Parker, Shirley Wilkerson, Mary Hollifield.

The Glenwood Student Council, organized in 1943, is a chapter of the National Association of Student Councils. The purpose of the council is to provide opportunities for maximum student participation in co-curricular activities of the school.

A major project of the council is the sponsoring of activities to encourage better morale among the student body and better communication between the faculty and student body. Some specific projects carried out each year are the assignment and regular checking of lockers, conducting clean-up campaigns, and purchasing a gift for the school.

Key Club

The Key Club is a national junior chapter of the Kiwanis International Club. The Glenwood Key Club is composed of carefully selected boys of good character, leadership potential, and high academic standing.

The purpose of the Key Club is to instill in its members civic and school pride, in the hope that through their efforts, the members of their communities will be instilled with community and national pride.

The outstanding annual project of the Glenwood chapter is collecting, repairing, and distributing toys and clothing to needy children in the school.

MRS. JACQUETTE ROBINSON

The Future Homemakers of America is one of the largest and most popular clubs in school. Emphasis is placed on these three objectives: to promote a growing appreciation of the joys and satisfactions of home-making; to emphasize the importance of worthy home membership; and to work for good home and family life for all. The members of the club work enthusiastically "Toward New Horizons".

Future Farmers of America

The Future Farmers help to beautify the school by trimming shrubbery, seeding the campus where it is needed, and constructing and repairing school equipment. Instructed by Mr. Robert Goodson, the boys learn parliamentary procedure which helps them to cooperate with and assist community development clubs. Their major contributions to the community this year have been the construction and installing of signs for the churches of the community. They also have assisted in the construction of the new Fire Hall, sponsored by the Ruritan Club.

The many activities of the club show that the boys are "Learning to do, doing to learn, earning to live, and living to serve."

The Glenwood Future Teachers of America was chartered in 1952 as the Norman F. Steppe Chapter of Future Teachers of America. The purpose of the club is to encourage promising students to teach and to give them opportunities to participate in classroom and other teaching experiences. Many of the club's activities are also designed to assist the teachers and to give scholastic aid to students. One of the most rewarding projects of the year was a Christmas party for underprivileged children in the Elementary School.

The Future Nurses Club attempts to instill an admiration for nurses and to encourage its members to consider nursing as a satisfying career. The members assist in the annual pre-school clinic. They also are called upon throughout the school year to aid the school doctor and nurse. The club members highlight each school year with a Christmas party for needy children.

Lydians

The Lydian Club was organized this year by the girls in the commercial class who have career interests in the field of business. The name, Lydians, is derived from the Biblical character, Lydia, who exemplifies businesslike qualities.

The main purpose of the club is to learn about the various areas of secretarial work, as well as proper grooming and manners of an efficient secretary.

The projects for the year are collecting vocational information on the business world and making a follow-up of girl graduates for the past five years.

Professor Joseph De Nardo looks over a new musical arrangement.

Piano Students

The private music and dancing lessons taught by Mrs. La Verne Jeffries and Mrs. Elizabeth Loudermilk, respectively, have helped to develop the talents of many students.

The intangible values added by these two classes have aided in enriching the fine arts area of the school curriculum.

Dance Students

Girls' Ensemble

MRS. JANET MORGAN,
Director

Glynda Morgan, Treasurer; Barbara Huskins, Secretary; Shirley Nelson, Vice President; and Sherry Flack, President.

The Girls' Ensemble is the group that strives to reach the peak of perfection in music. The girls exemplify that they are willing to work toward excellency in the field of music.

That "Music is a cure for the soul" has been proved by the entertainment the Girls' Ensemble has provided for the school, as well as for clubs and churches.

Bus Drivers

Fourteen Glenwood School bus drivers transport over eight hundred students approximately five hundred miles to and from school each day.

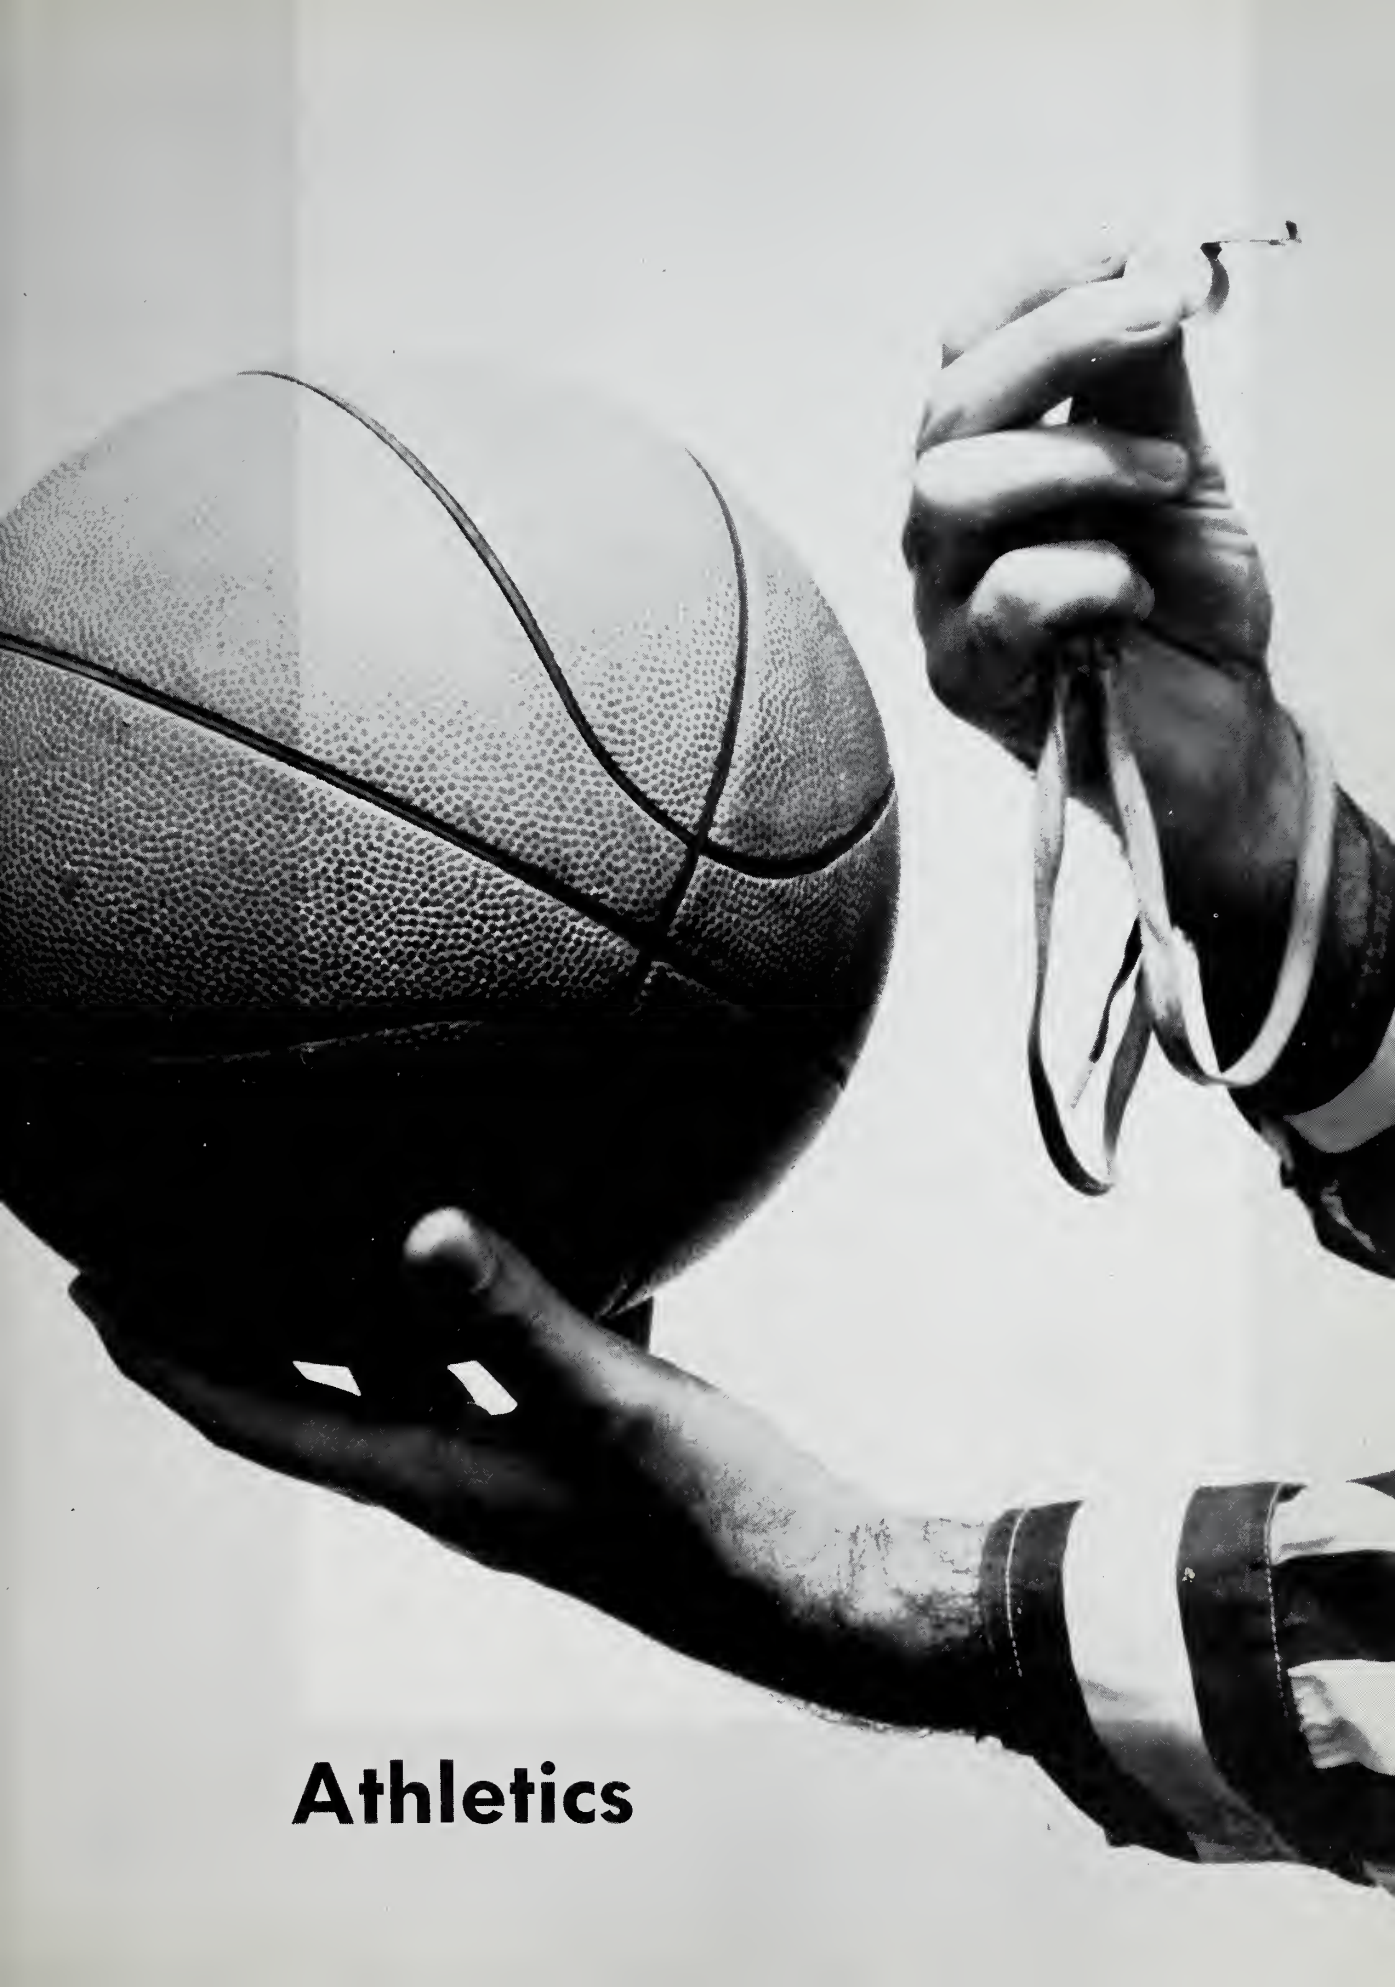

FIRST ROW: Rachel Hensley, Roy Sumlin, Charles Collins, Arvle Nations, Wayne Fortune, and Mike Smith.

SECOND ROW: Bill Millwood, David Owens, Jimmy Trantham, Harrold McCurry, Roger Franklin, and Donald Penley.

Bus Patrol

The aim of the Safety Patrol is to have accident-free buses. Under the guidance of Mr. Frank Howell, the patrol members supervise behavior on the school buses, act as flagmen for bus stops and railroad crossings, and assist bus drivers during an emergency.

Athletics

Dragons

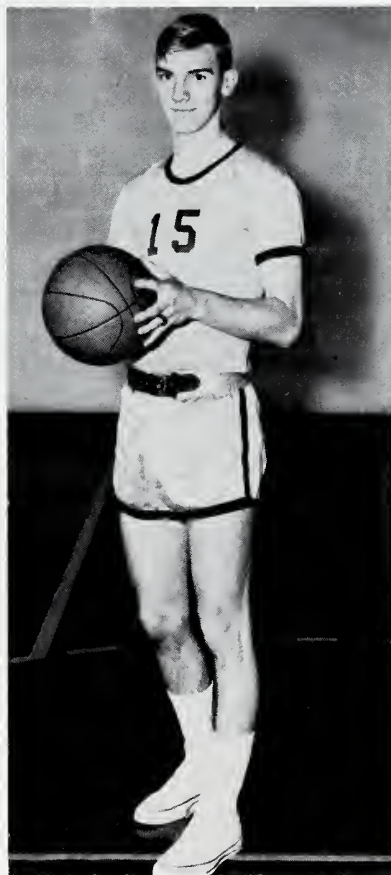

The members of the Dragon Squad are as follows: Left to Right - Larry Vaughn, Danny Cogdill, Mike Smith, Albert Kaylor, Zane Jackson, Jimmy Brewer, Bill Smith, Chuckie Radford, Timmy Buchanan, David Owens, Norman Arrowood, Calvin McKinney, and Eddie Hawkins. KNEELING: Tim Laughridge, manager; Coach Paul Flack, and Richard Collins, manager.

Despite the many injuries which occurred this year, the Dragons have had a fair season. Coach Flack's boys tied for second place in the county and had an overall record of eleven losses and seven wins. The team is looking forward to the county tournament with high hopes of winning the championship.

MIKE SMITH - 1st Base
Batting Average .402

From last year's championship nine, seven members have returned. All signs point to another successful season - Who knows? Perhaps they can be County Champs a third year in a row.

As this last copy shipment goes to press, and the wasted materials are thrown away, and the re-usable materials are stored away for use another year, I think of the many hours spent by the staff making the 1965 Nushka a reality.

The staff and I hope that when you look through the 1965 Nushka, you will recall the many happy days spent at Glenwood High.

Electricity is the biggest bargain in your budget!

While ways to use electricity go up, costs go down! There are now 162 residential uses of electricity to improve your standard of living, and they cost less now to operate. Actually the average cost per unit of residential electricity has gone down more than one third in the past ten years. Check for yourself: Divide your next bill by the number of uses in and around your home. Then you'll see why Reddy's wage is the biggest bargain in your family budget.
